Be an EXHIBITOR at the 39th ICMA Conference

April 10 - 13, 2017, Toronto, Ontario, Canada

General Overview

All exhibits are set up in the main conference room so all attendees have plenty of time to visit the exhibits and talk to the exhibitors. You will also be able to attend all papers as they are presented in the same room. We encourage you to bring a visual display and prepare a five minute presentation to demonstrate the use or capability of your equipment or service. All exhibitors will be introduced on Monday, April 10, 2017.

Specifics

The fee for each exhibitor is $600 USD ($700 after March 1, 2017). This fee entitles your firm to:

- one free conference registration
- a copy of the Conference Proceedings and admission to the receptions
- a link on the ICMA home page to the exhibitor's website, and to have a
- paragraph summary with a photograph of their exhibits on our web page. The link will be on the ICMA home page for one year.

Tables, skirting, and chairs will be provided at no charge. Power outlets are available, however, you will want to bring extension cords. Please be prepared to set up your display on Sunday.

How to Register

To register as an exhibitor, please send your registration fee of $600 USD (checks payable to ICMA) to Tom Dealy at the address below, by March 1st, 2017. Exhibitors' registration fee after March 1, 2017 will be $700 (USD). Exhibitors must submit a conference registration for each representative attending. Exhibitors having more than one representative attending should take advantage of the pre-registration period. Pre-registration fee for one person is $500 (USD). Registration on site will be $600 (USD). Pre-registration forms, a hotel reservation form, and a preliminary program are available on the ICMA website:
http://cemmicro.org/annual-conference-information/online-registration/
