

#### Local Transportation:

South Florida has two major international airports that serve the area. Miami international Airport (MIA) is located near down-town Miami and is about 50 minutes (by car) south of Deerfield Beach. Fort Lauderdale International Airport (FLL) is located about 25 minutes (by car) south of Deerfield Beach. The Embassy Suites in Deerfield Beach is located at 950 S Ocean Dr, Deerfield Beach, FL 33441.

Both airports are served by the tri rail train and Uber. The most cost effective way to get from the airport to the hotel venue is to take the tri-rail (less than \$10) from MIA or FLL to Deerfield beach and then take an Uber from the train station to the hotel. Uber costs \$5.60-\$10.15 (pool-UberX) from the Deerfield Beach tri rail station to the hotel. So for approximately 10-17 dollars per person you can get from Miami international Airport (MIA) to the hotel.

Car rental is another option. The hotel offers overnight self-parking and valet parking. ICMA Conference attendees get a discounted Overnight Self-Parking \$10.00/night.

Taking a taxi or booking the SupperShuttle directly from Miami international Airport (MIA) to the Hotel would cost more than \$110.
