**Join us for our 41<sup>ST</sup> Annual Conference as ICMA goes to Southern California  
San Diego Area!  
(Invitation from the ICMA General Chairman- Dr. Arturo G. Nisperos)**

ICMA will hold its 41<sup>st</sup> Conference in Southern California (San Diego Area). The Bahia Resort Hotel is located on a 14-acre peninsula that is tropically landscaped on the beautiful Mission Bay. It is close to shopping and restaurants in Mission Beach, Pacific Beach and Belmont Amusement park, Sea World, Safari Park, Historic Old Town and the exciting Gaslamp Quarter. It offers complimentary cruises on Mission Bay aboard the Bahia Belle Sternwheeler (See attached information). Within few driving hours, is the world famous Disneyland, Universal Studios of Hollywood, Knott's Berry Farm, Six Flags Magic Mountain, Carlsbad's Legoland, and Tijuana (South of the Border) and Las Vegas, Nevada.

The technical program includes papers that are good blend of practical applications, new techniques and novel approaches and the latest research efforts in the field of microscopic evaluation of portland cement and related materials. The Workshop Committee will prepare Panel Discussions and Workshops that are timely and interesting to the participants. The Spouse and Guest Committee has programs and tours to the many beautiful and interesting sites of Southern California (San Diego Area.) for the spouses and guests accompanying the attendees. Please visit the ICMA website ([www.cemmicro.org](http://www.cemmicro.org)) for more information about the conference.

The "Proceedings of Final Program and Abstracts" of the 41<sup>st</sup> International Conference on Cement Microscopy, Sponsored and Organized by the International Cement Microscopy Association (ICMA) will be prepared for all attendees. Your participation is what makes the ICMA Conference one of the best cement and concrete technology conferences in the world.
